Forthcoming Events:

Christmas Coffee Morning – November 6

This year we are delighted to hold our annual coffee morning in the historic Master's Lodge of Jesus College. The college was founded in 1496, and it originally consisted of buildings taken over from a twelfth-century Benedictine nunnery: namely the chapel, and the cloister attached to it. The former lodging of the prioress became the Master's Lodge. Please plan to join us!

St. Catharine's Christmas Concert – December 7

What a wonderful way to get into the mood of the Christmas season! This lovely Christmas concert is held in St. Catharine's College Chapel, which was completed in 1704. Under the leadership of Edward Wickham, musicians from the college provide a delightful choral concert, together with seasonal readings.

Can you help? Each year the Cambridge Committee holds 3 collections; in August a street collection in the city; for 2 days in October we collect outside Tesco and in December we have a day's collection at Morrisons. We are always in need of people who could donate an hour or two to help with the collections. If you are interested, please contact Nan Guest at 01223 354 932. Thank you!
